

Compass Learning Academy
500 East German Lane
Conway, AR 72032
501.581.1070

My name is Courtney Williams. I am the Director of the Compass Learning Academy in Conway, Arkansas. I would like to ask that you consider partnering with the Compass Learning Academy, the only grade school in Faulkner County dedicated to serving the needs of children with developmental disabilities. As I'm certain you know, children with developmental disorders are faced with a host of profound educational challenges. The Compass Learning Academy was expressly designed to meet the needs of this underserved group – offering them a tremendous opportunity to thrive spiritually, intellectually and socially.

By creating a Christ-centered environment where students can learn at their own pace, discover their own natural gifting and receive instruction that is tailored to their own unique needs, we believe we can help all of our students reach their full potential. We know that every child is unique and every child deserves to be engaged lovingly, earnestly and thoughtfully. Our mission is to help these children blossom into people that are comfortable in their own skin, who strive to defy expectations and who engage their unique gifts with the joyful determination to make the most of their lives.

The Compass Learning Academy is affiliated with the Conway Christian School, which means students will have access to world class curriculum and academic support, all in the context of a faith-based environment.

Would you consider partnering with us in one of the following three capacities?

Navigator – \$25,000

- Provides a full year scholarship, in your name, to one deserving child
- Naming rights to a room in our permanent facility
- Official sponsor of the Academy's Special Olympics team
- Full sponsorship consideration (name, logo, etc.) on the Academy's website, marketing materials and collateral

Helmsman – \$10,000

- Provides a partial scholarship, in your name, to one deserving child
- Commemorative plaque with your name in our facilities lobby
- Full sponsorship consideration (name, logo, etc.) on the Academy's website, marketing materials and collateral

Scout – \$2,500

- Provides school materials for one year, to one deserving child
- Sponsorship consideration (name, logo, etc.) on the Academy's website

There is no question that the families of special needs children in Faulkner County are in need. To date, over 40 applications have been submitted – and this before an actual structure for the school has been crystallized.

We sincerely believe that the Compass Learning Academy can provide a life-changing service to both these students ... and their families. I ask that you prayerfully and thoughtfully consider partnering with us financially as we usher in a new era of hope, encouragement and opportunity for a group of children that have for too long languished in the shadows.

If you have any questions, or would like to learn more, please reach out to us at 501-581-1070.

Thank you and have a blessed day.

Courtney Williams, *director*
